[G] Her green plastic watering can [Em7]
For her fake Chinese rubber [C] plant
In the fake [G] plastic [C] earth
[G] That she bought from a rubber man [Em7]
In a town full of rubber [C] plans to get [G] rid of it[C]self

It wears her [Am] out it wears her [G] out
It wears her [Am] out it wears her [G]out

[G] She lives with a broken man [Em7]
A cracked polystyrene man [C]
Who just [G] crumbles and [C] burns
But gravity [G] always [C] wins

And it wears him [Am] out it wears him [G] out
It wears him [Am] out it wears [G] him

[G] She looks like the real thing [Em7]
She tastes like the real [C] thing my fake [G] plastic [C] love
[G] But I can't help the feeling [Em7]
I could blow through the ceiling if I [G] just turn and [C] run

And it wears me [Am] out it wears me [G] out.
It wears me [Am] out and it wears [G] me
And if I could [Em7] be who you wanted
If I could [G] be who you wanted
All the [Am] time all the [G] time all the [Am] time all the [G] time
All the [Am] time all the [G] time
