If you [F] wanna get your [Bb] sister in a [G7] frenzy

[D] He's got a great big grin and a [G] great big chin
Give him [A] half a chance he'll be [Bb] in like Flynn
His [F] great big fist will [Am] flatten any [Gm] Pom [A]
He's got a [D] great big thirst you can [G] do your worst
When they [A] tap the keg he'll be [Bb] in there first
It's [F] no use mate you'll [Gm] never win
He's a [Bb] better man than you are Gunga [A] Din

[F] Wishing to [Am] hell he was [Bb] where he was [G7] from

[D] He's got a big brown hat and an [G] Earl's Court flat
And a [A] map to show the Poms where [Bb] Bondi's at
And he [F] rushes in where [Am] angels fear to [Gm] go [A]
He can [D] sink a beer he can [G] flick a queer
In his [A] latest Aussie double [Bb] breasted gear
He's a [F] handsome wild col[Gm]onial man
He can [Bb] beat the bloody world if Genghis [A] Khan

From the [F] land that's got the [Bb] whole world green with [G7] envy
